

Terms and Conditions of Participation for FRANKFURT BUSINESS MEDIA GmbH Events

Event Attendance

Attendance at Frankfurt Business Media GmbH events is exclusively reserved for the specified target group. Attend-

ance is subject to written confirmation from the event organiser.

Withdrawing Participation

Participants may withdraw their participation up to four weeks prior to the event without incurring a cancellation fee. Withdrawing participation between two and four weeks prior to the event will result in a charge totalling 50% of the attendance fee. The attendance fee, in its entirety, will not be refunded if a withdrawal of participation is requested within two weeks of the event. Guests of honour are exempt from these rules. Please submit with-

drawals of participation in writing by email, letter or fax. The event organiser is not entitled to keep the paid attendance fees if the event is cancelled, e.g. due to expected low attendance. Other claims against the event organiser are excluded, except in the case of intentional misconduct or gross negligence by the event organiser's staff or other subcontractors.

Transferability

You are allowed to send a representative to the event in your place. Please note that due to our strict exclusivity rules, your invitation is only transferable to an employee in

your company who is part of the target group. The event organiser must approve of the transfer.

Program Changes

The event organiser has the right to change the event's program at any time.

Taking Photos and Videos

During the event, photos and videos will be taken for informational and promotional purposes. By registering for the event, you are consenting to photos and videos being taken as well as their distribution on web pages,

in print and for other informational and promotional purposes of FRANKFURT BUSINESS MEDIA GmbH and the event sponsors.

List of Participants

A list of registered participants containing the following information will be released at the event: company, first and last name, position and location. By registering for the event, you are consenting to the inclusion of your data on the list of participants. You are, however, allowed to with-

draw your consent. In order to do this, please contact the responsible project manager at least two weeks before the event – please respond to the participation confirmation document that we will send you by email.
